TILEVISION

the bathroom television

TILEVISION®

A TileVision® is a completely independent digital television – totally waterproof (IP65) and totally tamperproof. The heated 6 mm safety glass screen keeps the picture clear of condensation, making TileVision® perfect for use in high humidity areas such as bathrooms. All functions, including setup and tuning are remotely controlled.

The 17" and 23" Widescreen TFT LCD Digital Televisions give you . . .

Black finish

Mirrored finish

Silver finish

- High contrast, high brightness widescreen LCD with ultra-wide (178°) viewing angle for a superb picture
- Multi region integrated tuner for: PAL-BG, I, DK/ SECAM-BG, DK, L
- DVB-T tuner receives all free-to-view TV and radio
- High quality sound with SRS WOW and Nicam stereo through 5" waterproof flush-mount loudspeakers
- 100 Programmes (Analog) with auto and manual tuning
- Inputs for: EURO-SCART, HDMI, S-VIDEO and COMPONENT VIDEO (with SCART adaptor)
- Designed for multi-room AV system compatibility
- The multi-function waterproof remote control with Teletext and Digital Text functionality – remote control holder included – Integrated Sky™ remote control link
- Three colour choices – Black · Mirror · Silver
- Option to use Mirrored Acrylic Surround included.

TileVision® is not just for bathrooms – it is also suitable for use in kitchens, pool side, wet rooms, spa rooms, gymnasiums, changing and toilet areas . . .

All Digital TileVisions® are supplied complete and ready to fit in two packs:
